Updated June 2020

This policy explains how our association uses social media. It is available and applies to all members of our association.

Details of the social media used by our association

Anthony Curton Friends Association currently uses Facebook. You can see this here:
www.facebook.com/groups/ACFA.Public.

Access to the social media used by our association

ACFA uses Facebook. This is a closed group meaning that you can apply to join but this will need to be approved by the PTA through our Facebook group administrator. Only approved members can see posts made to the group. However, once you are a member of the group, you can also post and these will be seen by all other members of the group who have been similarly approved. Please enter www.facebook.com/groups/ACFA.Public into your web browser and make a request to join the group.

Permitted members

The Facebook group of ACFA is open to all parents/carers of pupils of Anthony Curton Primary School in Walpole St Andrew. You may post to this page however all posts will be approved by admin before appearing.

Please Note: NO comments regarding the school will be accepted, good or bad-the group is only concerned with raising funds for the pupils of the school.

ACFA does not want to encourage inappropriate use of social media by children. No application to join our Facebook group will be accepted by anyone aged less than 16 years.

How this is used by our association

ACFA uses its Facebook group exclusively for the running of the association. It is used to communicate with members, promote events or elements of events, to recruit volunteers to support the PTA's activities, thank local supporters and canvass members' views.
